

MOLLY RAY

7 Spots on Your Body That Will Ignite Your Fragrance

*“Apply Perfume Where You’d Like to Be Kissed”
-Coco Chanel*

01 Wrists

02 Ankles

03 Back of Knees

04 Collarbone

05 Hair

06 Inner Elbows

07 Cleavage/Chest

Fragrance Application Tips:

*Always apply before putting on clothes or jewelry (to avoid stains or discoloration).

*Avoid rubbing your wrists together after you spray to prevent “crushing” the scent.

*Perfume lasts longer on moist skin! Try applying fragrance free moisturizer prior to applying fragrance to extend the time your fragrance lingers.
